What people are saying about Miracle Valley Vineyard

“ I absolutely love Miracle Valley and joined their wine club several months ago. This is my favorite time of year to visit as well. Beautiful foliage and a hot glass of mulled wine. The staff has always been fantastic and very accommodating. ”

“ Had a wonderful experience at Miracle Valley Vineyard. We enjoyed the tastings and enjoyed two bottles outside under an umbrella with the 9.11 angel in our background. We loved the serenity and will return. ”

“ This was our first time visiting Miracle Valley and we will certainly go back again! Stunning views, great wines, incredibly nice & friendly staff and fun live music! Everything that you would imagine wine tasting in the country should be. This vineyard is on the smaller side and didn't seem to draw the crowds the larger, more commercialized wineries do. The small atmosphere added to the overall vibe of relaxation. Looking forward to going back!... and when you visit, be sure to try the sangria! So good! ”
