

Rocking Chair Farm

A rare offering on the clear and peaceful waters of the Rock Fish River.

A Beautiful Farm

312 acres of meadow and forest with almost 7,000 feet of river frontage on the Rockfish River. Including fantastic rock outcroppings, islands, deep swimming holes, and superb canoeing and kayaking. This natural paradise has all the elements required for hunting, fishing, recreation, and boundless relaxation. At the end of a glorious day on or by the river you can watch the sun go down over the mountains from the craftsman style front porch of your comfortable country home, knowing that the river and meadows and forest will welcome you tomorrow.
