

Carousel

*Forty acres on the Deep and Pristine Waters
of the Piankatank River
Gloucester County, Virginia*

The Gardens at Carousel are constantly changing with the seasons. All year long they are a feast for the eyes and a delight to the senses. This lovely walled garden is just one example of the exquisite artistry that characterizes the classic "Virginia Style" gardens at Carousel. Dating back to the original construction of "Carousel" in 1938, which was known then as "Belle Terre"—it pays tribute to the renowned genius of Charles Gillette, who visited Carousel often as a close friend of the original builders.

Carousel is situated on one of Virginia's most pristine and scenic rivers. Deep water awaits you off the Chesapeake Bay! Williamsburg, Irvington, Urbanna, Yorktown, Deltaville and Gloucester are all close by land or sea.

Warm and wonderful paneled walls with an exquisite wall to wall wool carpet over heart pine floors create a richly elegant space. Flooring throughout the original house (5,100 sq. ft.) and seamless new addition (4,900 sq. ft.) consists of heart pine, ceramic tile and reclaimed Italian/European stone. Walls in the original house are plaster with drywall in the new addition. Ceilings in the four season sunroom and wet bar area are a Cypress. Truly luxurious accents, fixtures and exquisite finishes abound throughout the original house and 2006 addition at Carousel.
